The current Latvian development cooperation activities and priorities are based on the Latvian Development Cooperation Policy Strategy (2011-2015).

[Development Cooperation Policy Programme of the Republic of Latvia 2006 - 2010](#)(not effective)

The Development Cooperation Policy Programme of the Republic of Latvia 2006-2010 (Programme) has been prepared taking into account Latvia's growing role in the resolution of global problems and in accordance with the foreign policy guidelines of the Republic of Latvia as of the year 2005 forward and "The Basic Principles for the Development Cooperation Policy of the Republic of Latvia".

The aim of this Programme was to strengthen Latvia's international role as a new donor country, ensuring wide involvement by governmental institutions and the public in defining policy priorities and implementing set targets.
