

# Latvia ceases its participation in the cooperation framework of Central and Eastern European Countries and China

Published: 11.08.2022.

News

In view of the current priorities of Latvian foreign and trade policy Latvia has decided to cease its participation in the cooperation framework of Central and Eastern European Countries and China. Latvia will continue to strive for constructive and pragmatic relations with China both bilaterally, as well as through EU-China cooperation based on mutual benefit, respect for international law, human rights and the international rules-based order.
