

Joint Statement on the Occasion of the 30th Anniversary of Diplomatic Relations between the Republic of Peru and the Republic of Latvia

23 July 2026

On the occasion of the 30th anniversary of the establishment of diplomatic relations, the Republic of Peru and the Republic of Latvia commemorate and highlight three decades of the steady growth of a partnership shaped by shared values, mutual trust, and a commitment to constructive international engagement.

Since the establishment of official ties on July 23, 1996, Peru and Latvia have cultivated a dialogue marked by openness and respect. Over the past three decades, cooperation has expanded across political consultation, economic interaction, cultural exchange, and emerging areas of technological collaboration. This anniversary offers a moment to recognize the achievements that have strengthened the bilateral relationship and broadened its scope. Both countries reaffirm their mutual interest to deepen cooperation in fields such as trade and investment, cybersecurity, digital governance, and academic and cultural partnerships, ensuring that these efforts contribute to the well-being of their citizens.

Peru and Latvia reiterate their dedication to multilateral cooperation and to addressing global challenges through collective action. Both countries emphasize the importance of democratic governance, human rights, and the rule of law as guiding principles in international affairs. In this context, they underscore the importance of close collaboration in addressing global and regional security concerns as part of their shared commitment to international stability.

Looking ahead, Peru and Latvia aim to further enhance mutual understanding through high level exchanges, people to people initiatives, and strengthened institutional collaboration. These efforts will continue to build a resilient and forward-looking relationship.

Marking this important anniversary, both countries express their optimism for the future and their shared commitment to advancing peace, sustainable development, and prosperity for their peoples.
